

## Department of Health and Human Services

## § 74.25

(1) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees, including time records.

(2) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

[59 FR 43760, Aug. 25, 1994, as amended at 61 FR 11746, Mar. 22, 1996]

### § 74.24 Program income.

(a) The standards set forth in this section shall be used to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided below in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with the terms and conditions of the award, shall be used in one or more of the following ways:

(1) Added to funds committed to the project or program, and used to further eligible project or program objectives;

(2) Used to finance the non-Federal share of the project or program; or

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When the HHS awarding agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) In the event that the HHS awarding agency does not specify in the terms and conditions of the award how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support performance of research work, paragraph (b)(1) of this section shall apply automatically unless:

(1) The HHS awarding agency indicates in the terms and conditions of the award another alternative; or

(2) The recipient is subject to special award conditions under § 74.14; or

(3) The recipient is a commercial organization (*see* § 74.82).

(e) Unless the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) Costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards. (See §§ 74.30 through 74.37, below).

(h) The Patent and Trademark Laws Amendments, 35 U.S.C. section 200-212, apply to inventions made under an award for performance of experimental, developmental, or research work. Unless the terms and conditions for the award provide otherwise, recipients shall have no obligation to HHS with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions made under an award. However, no scholarship, fellowship, training grant, or other funding agreement made primarily to a recipient for educational purposes will contain any provision giving the Federal agency rights to inventions made by the recipient.

### § 74.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the sum of the Federal and non-Federal shares, or only the Federal share, depending upon HHS awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section. Except as provided at §§ 74.4, 74.14, and this section, HHS awarding agencies may not impose other prior approval requirements for specific items.

(c) For nonconstruction awards, recipients shall obtain prior approvals from the HHS awarding agency for one
